

Since we are unable to have any meetings or workshops due to the governmental regulations and there's not a lot to report, I am sending this e-mail instead of publishing a newsletter for April.

I happy to announce that we have two new members: Katherine and Merle Grenz. They are from Vine Grove. Katherine is a beginning painter and Merle is a photographer. Please welcome them when you get a chance.

The program and drawing workshop are cancelled to comply with the Governor's orders. Please visit the CKAG page on Facebook and read about the art challenge posted by Kimscreations. This is open to anyone--not exclusive to CKAG members. The theme for the week of April 4 is Spring, April 11 is Pandemic, and April 18 Community.

Also after checking I notice that some of our members have not paid their membership dues. If you have not paid and would like to remain a member of CKAG, please send your dues of \$30 to me at 790 North Dixie Suite 900, Elizabethtown, KY 42701.

Earlier in March Anna Miserendino instructed a group on her egg painting technique. Shown below are some of the eggs (front and back). Thank you Anna and the ladies who participated.

It is my hope you all stay safe and well. Enjoy being at home. Take this time to create new art. Paint ahead for the Artist of Month themes! Hopefully this will soon pass, and we'll be able to enjoy each other's company again.

Take care.
