### Meeting—October 18, 2021

CKAG will meet Monday, October 18, 2021, at 6:30 p.m. at Our Place, 790 North Dixie Suite 900, Elizabethtown, Kentucky

It's time to start the process of election of officers for the new year.

**Artist of Month Theme:** Open

**Program:** Mary Lou Hall will be conducting the program this month on painting of fall leaves. Please bring leaves of different varieties. You might press them in a book prior to the meeting to facilitate working with them. Bring brushes and yellow, orange, and red watercolor paints. Mary Lou will provide paper. She will show several examples in which to paint them.

This will be a “hands on” fun project.

### VIGNETTE

When Mary Lou and I presented the “Skinny on Design” by Tony Couch, the word, “vignette”, came up. We were looking for definitions. I just came across this one in “Ink Line Sketching” by Paul Lascaux:

**VIGNETTE**—This type of drawing concentrates the rendering of tones and detail around the center of the drawing or focal points within the view; degree of rendering diminishes with proximity to the edge of the drawing. This convention imitates our visual ability to focus on one object in a cluttered scene while disregarding the surrounding context. It is a form of selection with which we can direct attention or create emphasis.
