PROGRAM ON MINERAL PAPER by Malinda Sieg

CKAG member, Malinda Sieg, demonstrated to the group the benefits of using mineral paper. The paper doesn't rip, curl or buckle, and using a magic eraser and paper towel, it will allow one to erase most of the watercolor paint applied to it. But, she cautioned us that it could damage paintbrushes (make sure to use an old one), and that once the paper has been folded it will never uncrease.

The paper can be purchased in different size pads from Amazon. (I searched using the phrase "Mineral paper for artists").
